

Witness Testimony

NVQ Title and Level: Specialist Installation Occupations, Door Systems (Repair)

Candidate Name: John Smith

Company Name: Smiths Auto Doors

Details of testimony: John has worked for the company for the past 7 years working mostly on the repairs division. The previous 4 years he worked for Jones Auto Doors also on their repair division. John is one of our lead repair engineers and is trusted to work on any type of door systems in all locations including, hospitals, power stations, high street stores, shopping malls and government establishments where security is very high.

Enclosed in this portfolio is a selection of job sheets, service record sheets and various other site documents from the past 12 months work John has completed. If any more documentation is required I will be happy to invite you to our offices to view any of the record sheets for the work John has completed.
